

About Us

The goal of Atmospheres Dive Adventures is to customize the diving experience to fit the individual's comfort and skill level. Pick your depth, pick your dive! We provide all of the necessary equipment except for wetsuits, however we do recommend that if you have gear that you are comfortable with, that you go ahead and bring it. So if you're ready to explore the underwater universe of the Virgin Islands, then bring your passport and your adventure face and LET'S GET WET!

Discover Scuba Diving

[ATA 1 \\$150.00](#)

The Discover Scuba Diving program is an introductory course for individuals who are interested in trying scuba for the first time. It is approximately a 3 hour class that is followed by an underwater practical and then an open water dive up to 40 ft. After taking the Discover Scuba Diving class, the participant will then be able to dive for the remainder of their charter, at a cost of \$50.00 per dive.

Open Water Dive

[ATA 2 \\$50.00](#)

An open water dive requires an Open Water certification from a recognized agency and will allow divers to explore the ocean to a depth of 66 ft. This will include the majority of the reefs and some shallow wrecks here in the Virgin Islands, but does not allow for wreck entries. Open water dives are a great opportunity to get familiar with the local dive sites and fish population.

Adventure Dive

[ATA 3 \\$50.00](#)

This dive requires an Advanced Open Water certification from a recognized agency and will allow divers to explore the ocean to a depth of 99 ft. This is for the more adventurous diver and does allow for wreck entries as well as deeper less traveled reefs.
